Onboarding from Home (Windows 11)
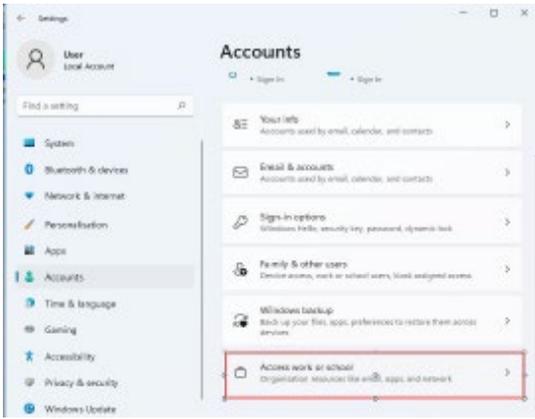

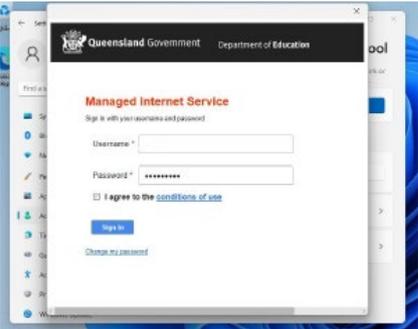

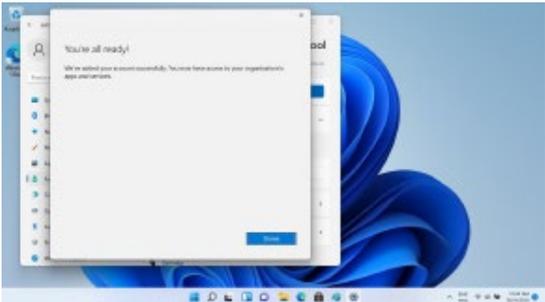

Have computer setup to seeing the desktop. Click Windows button right click user icon , select Manage Account or Change Account setting	
Scroll down to until you see "Access Work or School" and click on that. Click Connect	
Enter school email address Username@eq.edu.au eg achild11@eq.edu.au	
Click next enter Username and password, same username and password used in Yr 6, tick the box and click sign in. If any extra windows pop up select accept or approve or ok until it has stated "You're all ready!"	
Wait approximately 10 minutes for the Company Portal app and digital certificate to connect to school wireless network to download and install. Then restart your device. Your device **might** request a password change upon reboot.	 Have any problems email tech@gympieshs.eq.edu.au
