PROGRAMS OF EXCELLENCE

RURAL INDUSTRIES SCHOOL OF EXCELLENCE

The *Rural Industries School of Excellence* delivers a vertically integrated school based program enhanced by established training partnerships and industry experience in a number of fields of study including agriculture, horticulture, animal husbandry, mechanics and rural operations, articulating into career pathways such as veterinary science, agronomy, agricultural and horticultural production and systems. The Rural Industries School of Excellence further offers students a dedicated 'RISE' class once per week, membership to the Gympie State High School Cattle Show Team as well as preferential access to industry and extracurricular excursions.

CENTURIONS – SPORTING ACADEMIES PROGRAM

The GSHS Centurions Sporting Academies provide opportunities for individuals to develop the skills and knowledge required to excel within specialised sports. These sports include: Rugby League, Volleyball, Futsal, Netball and Touch Football. Teachers with specialised coaching accreditations guide these academies and place emphasis on: leadership, Team Building, Personal Development, Community engagement, Psychology, Sport Specific Fitness and Nutrition. Student who engage in the GSHS Centurions Sporting Academies are required to fulfil their student responsibilities and abide by the GSHS Student Code of Conduct prior to participation.

PROGRAMS OF INNOVATION

SPECIALISED SCHOOL OF EXCELLENCE IN MATHS & SCIENCE

Gympie State High School's *Specialised School of Excellence for Maths and Science* is a quality assured, vertically integrated program that provides specialist delivery of Maths and Science curriculum, focused on developing higher order thinking and problem solving skills beyond the general classroom capabilities. This differentiated program has been developed to identify, support and extend individual students who have proven academic achievements in the curriculum areas of Maths and Science beginning in the Junior Phase of Learning sustained through to the Senior Phase of Learning.

GYMPIE MUSIC SCHOOL OF EXCELLENCE

The *Gympie Music School of Excellence* promotes and develops all musical styles and talents. GMSOE endeavours to foster and celebrate the talented, passionate music students of Gympie State High, regardless of their musical preferences or goals. This program most importantly will provide students with guidance during the rehearsal stage, developing students' playing or vocal skills, both as individuals and as ensembles. GMSOE will then provide various opportunities for students to develop their stagecraft and showcase their talents, both within and outside the school.

CREATIVE INDUSTRIES

The Creative Industries Academy (CIA) is for those students who wish to pursue their chosen artistic fields in an innovative environment under the mentorship of creative industries staff. Embracing a holistic approach, CIA envelops an expansive array of disciplines such as visual arts, music, drama, dance, and more. Encompassing the domains of humanities, literacy, numeracy, technology, and sciences, these creative avenues offer students opportunities for comprehensive development. Through active engagement in these disciplines, students not only refine their artistic capabilities but also foster emotional, social, and cognitive growth.
