## Resources for first week of School - Year 7

Dear Parents/Caregivers

Our students will commence the high school career with a 4-day Orientation program. The program is designed to support your student to settle in to a new school community. During the first week of 2025 in Term 1, Tuesday 28 January, students will require the following resources:

- 1 x A4 exercise book
- Pencil case – with writing equipment, glue, scissors, plastic /wood ruler
- Lunch box or money for Tuckshop
- Water bottle
- Laptop from Thursday 30 January onwards

Please don't send them with all their other resources, as they will have to carry them the whole day.

If you need further clarification, or about what your student needs to bring, please contact the Positive Education Centre on 54898347 or [Positive\\_Ed@gympieshs.eq.edu.au](mailto:Positive_Ed@gympieshs.eq.edu.au)

Kind regards,

Annette Cameron  
Principal
