The Ka’bi Place Indigenous support Team provides student centered assistance to students and their families. We endeavor to establish and maintain good working relationships with students, parents, carers and the community.

Ka’bi Place is testament to our commitment to provide an inclusive school community. Although our core business is to support our Aboriginal and Torres Straight Islanders students, we support all students in a range of ways to ensure student learning is positive and supportive whilst attending Gympie State High School.

Ka’bi Place offers a range of culturally appropriate programs for all year level students such as:

* Crossing Cultures Programs   * Deadly Young Persons Program   * Murri Futures
* Youth Employment Program   * Ka’bi Homework Club   * Cultural Camps
