PROGRAMS OF EXCELLENCE

RURAL INDUSTRIES SCHOOL OF EXCELLENCE

The *Rural Industries School of Excellence* delivers a vertically integrated school-based program enhanced by established training partnerships and industry experience in a number of fields of study including agriculture, horticulture, animal husbandry, mechanics and rural operations, articulating into career pathways such as veterinary science, agronomy, agricultural and horticultural production and systems. The *Rural Industries School of Excellence* further offers students membership to the Gympie State High School Cattle Show Team and Equestrian Team.

INTERACTIVE DIGITAL MEDIA

INTERACTIVE DIGITAL MEDIA PROGRAM OF EXCELLENCE

In the GSHS Interactive Digital Media Program, students engage with age appropriate, ACARA aligned courses of instruction, leading them from introductory computer coding and digital media concepts, all the way through to creating complete software titles. At Gympie High we make coding and digital media engaging and fun, bringing software development out of the realm of engineers and scientists and into the reach of EVERY student. The coding and digital modelling concepts and projects delivered by GSHS involve students learning about interactive digital media through the problem solving associated with game development project work.

CENTURIONS – SPORTING ACADEMIES PROGRAM

The GSHS Centurions Sporting Academies provide opportunities for individuals to develop the skills and knowledge required to excel within specialised sports. These sports include: Rugby League, Volleyball, Futsal, Netball and Touch Football. Teachers with specialised coaching accreditations guide these academies and place emphasis on: leadership, Team Building, Personal Development, Community engagement, Psychology, Sport Specific Fitness and Nutrition. Student who engage in the GSHS Centurions Sporting Academies are required to fulfil their student responsibilities and abide by the GSHS Student Code of Conduct prior to participation.

PROGRAMS OF INNOVATION

SPECIALISED SCHOOL OF EXCELLENCE IN MATHS & SCIENCE

Gympie State High School's *Specialised School of Excellence for Maths and Science* is a quality assured, vertically integrated program that provides specialist delivery of Maths and Science curriculum, focused on developing higher order thinking and problem solving skills beyond the general classroom capabilities. This differentiated program has been developed to identify, support and extend individual students who have proven academic achievements in the curriculum areas of Maths and Science beginning in the Junior Phase of Learning sustained through to the Senior Phase of Learning.

GYMPIE MUSIC SCHOOL OF EXCELLENCE

The *Gympie Music School of Excellence* promotes and develops all musical styles and talents. GMSOE endeavours to foster and celebrate the talented, passionate music students of Gympie State High, regardless of their musical preferences or goals. This program foremost will provide students with guidance during the rehearsal stage, developing students' playing or vocal skills, both as individuals and as ensembles. GMSOE will then provide various opportunities for students to develop their stagecraft and showcase their talents, both within and outside the school.
