

# GYMPIE State High School

a Great Opportunity to Learn and Develop

Student Name: \_\_\_\_\_

Year: \_\_\_\_\_

Do you collect your student from school on Thursdays at 1:40pm before Gold Time, if they are not required to stay for Gold Time classes? **Students must be collected by a parent/carer if they are leaving at 1:40pm and are expected to be at home or in the care of their parent/carer.**

Yes

No

If you answered No to the above question, your student must stay at school on Thursdays until 3pm and will be placed on the Gold Time Voluntary program. During this time students will be participating in quiet supervised study. This means your child will stay at school for Lesson 4 every Thursday to complete assignments or homework or to prepare for assessments and exams.

Supervision is provided at the Resource Centre.

**For those students who are placed on the compulsory program (students are nominated by teachers for intervention), it is an expectation that they will be in attendance.**

Students in attendance during this time must adhere to the normal school procedures. Any breaches of school rules will be handled as per normal school policy.

Please complete this form and return to Student Services or email to [student.services@gympieshs.eq.edu.au](mailto:student.services@gympieshs.eq.edu.au)
